RE: William Stevens'
clothing sent to
tailor.

In my report of September 27, 1926, covering the above subject, I advised that the bookkeeper for Lyons & Parker was a Miss Jernee, who was said to have married a man named Johnson.

I have gone into this matter further and find that the Miss Jernee in question is now Mrs. Mary Palmer, and that she resides at 98 Richardson St., New Brunswick, N.J.

Mrs. Palmer informed me that she was bookkeeper for Lyons & Parker for seven years and that she was with the firm until it dissolved in July, 1925.

Now that I have this woman's address, I will take the ledger of Lyons & Parker to her and make certain that the entries therein, especially the ones referred to in my report, were made by her in her own handwriting.

Respectfully yours,

David Thompson
